

Hot Lunch Ordering is Now Available!

Head to www.munchalunch.com
and select the appropriate button.

RETURNING FAMILIES & STAFF - Please use the same email you used as last year. Your information will automatically come up and you will be asked to update your child/children's class details. You can also add or remove any child. If there is any credit on account from last year it will automatically show up so long as you use the same email address this year.

ORDERING DETAILS

Deadline for Ordering - Thursdays at Midnight (one week before the lunch). Our vendors and volunteers require the notice to ensure a successful hot lunch. Any changes to this schedule will be announced ahead of time. We will post weekly reminders on Facebook.

Schedule & Menus - These will be released in blocks and ordering can be done weekly or all at once.

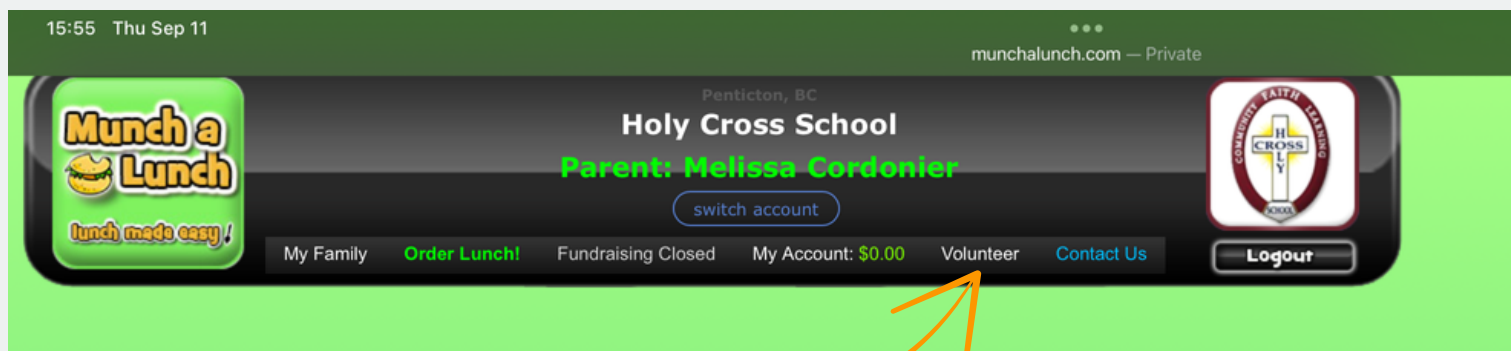

Payment - There is a 24 hour window to pay and after that time, the system automatically deletes orders with outstanding balances. You will receive an email confirmation and receipt once your order is processed. Payments are processed through a secure credit card processor.

Changes to Processed Orders - Changes can be made right up to the deadline. Lunch orders cannot be added, changed or canceled after the deadline. For example, if you order hot lunches for 4 weeks and realize your family will be away, on the third week, you may cancel the order BEFORE the deadline and a credit will be applied to your account.

Absences - If your child is absent for Hot Lunch, you are welcome to come in and pick up their lunch starting at 12:15pm. We can also send the food to a sibling in the school. Or if it is a one day absence, we are happy to bag it and refrigerate the order for the following day. Please email hhotlunch@gmail.com or phone the office to let us know what you would prefer.

If we do not know, then the food items will be offered to another student rather than be wasted. There are no refunds.
